ASCRS 4/01

“Q-Vis Ltd. Eye: Q Solid State Laser US Low to Moderate Myopia LASIK Clinical Study Update.”

Central Arizona Optometric Society 3/01

“LASIK Complications and Management”

Southern Arizona Optometric Society 2/01

“Refractive Options for the Hyperope”

Bronstein Contact Lens Seminar 2/01

“Beyond LASIK

BDPEC Optometric Forum 1/01

“Refractive Options for the Hyperope”

American Academy of Optometry 12/00

“LASIK with the Autonomous LADARVision on A Patient with Congenital Nystagmus” Poster Presentation

American Academy of Optometry 12/00

“Which Refractive Surgery Should I Choose Doc?”

BDPEC Optometric Development 11/00

“LASIK in the Large Pupil”

BDPEC Optometric Development 9/00

“LASIK in the Large Pupil”

AOA Congress 6/00

Gonioscopy/Fundus Lens Workshop

AOA Congress 6/00

“Which Refractive Surgery Should I Choose Doc?”

AOA Congress 6/00

“ICL, An Alternative Refractive Procedure for the Next Millennium”

California Optometric Association 4/00

“Refractive Treatment: The Best Patient Care Today and Tomorrow.

California Optometric Association 4/00

“The Direction of Cataract Care in the New Millennium”

VSP CE Lecture Series 4/00

“Which Refractive Surgery Should I Choose Doc?”

Bridge Into Ophthalmology 10/99

“Understanding Corneal Topography”

Paraoptometric Association 7/99

“Diagnostic Pharmaceutical Agents”

Southern Arizona Optometric Association 5/99

“LASIK Co-Management”

ASORN Meeting 4/99

“Understanding Corneal Topography”

BDEC Co-Manager Meeting 1/99

“LASIK Statistical Outcomes”

LECTURES AND PRESENTATIONS – continued

Bridge Into Ophthalmology 10/98
“Treating the Emergency Patient”
California Optometric Association 4/96
“Case Study”
California Optometric Association 4/96
“Cataract Co-Management”

Clinical Investigations

ICL, STAAR Surgical, NOV. 1998-Present
Wavelight, Allegretto, Jan. 2000-Present
Q-Vis, Q-Vis Limited, Aug. 2000-2003
Alcon Dry Eye Study, June 2002-2002
